

Standout Capital

Investing in Nordic Growth Stories

A growth-oriented private equity firm partnering
with B2B tech companies

**We are looking for an Investment Intern to join our team in
Stockholm on a full-time basis August-December 2026**

Join our team of investment professionals and develop skills necessary for a successful career within private equity, management consulting, investment banking and entrepreneurship. As an Investment Intern, you will be exposed to all steps of the investment cycle including sourcing, meeting with entrepreneurs, due diligence, as well as working with our existing portfolio companies.

Who you are

- Completed 2nd year studies within business or engineering
- Strong academic record
- Previous internship at an investment company, within investment banking, management consulting and/or tech companies/startups
- Analytical with strong numerical skills
- Proficiency in Microsoft Excel and PowerPoint
- Ability to communicate efficiently in English and in Swedish

Please send your application to careers@standoutcapital.com including your CV, grades and a brief motivation why you want to work with us. We recommend that you apply as soon as possible given that interviews are held on an ongoing basis
